Flexibility. Access. Convenience.

There is a strong link between oral health and living healthy. Proper dental hygiene can prevent a variety of health issues from gingivitis to heart disease. Backed by the security of a name trusted for over 80 years, Capital Blue Cross Dental plans give you greater control of your dental health with more choices and opportunities to save.

Freedom to see any dentist

Capital Blue Cross Dental has one of the largest national dental PPO networks with access in all 50 states. Although you have the freedom to see any dentist you wish, you'll save the most when you visit a Capital Blue Cross Dental PPO network provider.

No claim forms to file

In-network providers file claims on your behalf and won't balance bill you.

Stability and security

Your diagnostic and preventive services are covered¹ when you visit a network dentist, and coinsurance is applicable for other procedures.

Discounts on noncovered services²

Many in-network dentists offer discounts on noncovered services and services received after plan maximums are met.

SmileDirectClub's Clear Aligner Program³

Capital Blue Cross Dental members have access to discounted pricing through SmileDirectClub's clear aligner program for teeth straighten. SmileDirectClub uses a telehealth platform. This program is designed for members age 12 years and older with mild to moderate orthodontic needs. Call SmileDirectClub at **800.848.7566** for additional information.

No waiting periods on most services⁴

With Capital Blue Cross Dental PPO, it's easy to get quality dental care so you can maintain good oral hygiene and live well.

Coverage for kids

Our plans provide coverage for children, including medically necessary orthodontic services.
