Gold QHDHP Advance PPO 1800/0/10

Coverage For: Individual and Family | Plan Type: QHDHP PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to https://www.capbluecross.com/sbcsia or call 1-800-730-7219. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1-800-730-7219 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$1,800/Individual, \$3,600/Family preferred in-network providers; \$3,600/Individual, \$7,200/Family non-preferred in-network providers; \$5,000/Individual, \$10,000/Family out-of-network providers. Deductible applies to all services, including prescription drug, before any copayment or coinsurance are applied.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your deductible?	Yes. in-network preventive services.	This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	Yes. \$75 for pediatric dental. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these <u>services</u> .
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For in-network providers \$6,900 Individual / \$13,800 Family; for out-of-network providers \$10,000 Individual / \$20,000/Family. Combined out-of-pocket limit for network medical and prescription drug.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance billing charges, and health care this plan doesn't cover.	Even though you pay these expenses they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. For a list of <u>in-network providers</u> , see capitalbluecross.com or call 1-800-730-7219.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
