

Blood Glucose Meter Program

OneTouch[®] glucose test strips are the preferred brand glucose test strips on the Capital BlueCross Formulary and Selectively Closed Formulary. Non-preferred test strips include brands such as Accu-Chek[®], Contour[®] Next, Freestyle[®], and Precision Xtra[®] and require prior authorization. Test strips that require prior authorization will not be covered if prior authorization is not obtained prior to dispensing.

Members who are using preferred brand test strips may obtain a blood glucose meter at no charge.

To obtain a OneTouch[®] brand blood glucose meter:

- Visit OneTouch.orderpoints.com or call 1.888.234.8080 and provide the code 524CAP001.

Questions about the OneTouch[®] meter or about obtaining a meter should be directed to the number mentioned above.
